

SMART PD Plus Event

SMART Notebook™

Certification Training Plus a Bonus Day of Math Activities

July 25 - 28, 2011
Bridgewater, New Jersey

What to expect

- A comprehensive review of SMART Notebook™ collaborative learning software training for SMART Board™ interactive whiteboard users. This includes a module-by-module walk-through of level 1 and 2 full-day courses, complete with instructions on how to convey key points.
- An opportunity to review and role-play under the guidance of a SMART Certification Trainer.
- An explanation of the support materials and services SMART provides to help you stay ahead of the curve on product knowledge.
- A general overview and orientation to using response sleeves in conjunction with SMART Notebook files to ensure active participation by every student in the class.
- Techniques on how to implement a four-step game implementation process designed to ensure that students accurately follow the rules for games.
- Targeted grade level explorations and examples of SMART Notebook™ lessons, games and templates.
- Ways to create discovery-based lessons using SMART Ready manipulatives.
- Four full days of training in a small classroom setting (10 - 15 participants).

Who should attend?

SMART Training Certification is for K–12 supervisors/administrators, classroom teachers, special education teachers, and education trainers who want to train others on the use of SMART Notebook software and the SMART Board interactive whiteboard.

There will be a focus on hands-on, discovery-based mathematics lessons designed to engage ALL students, math games that can be used for differentiated activities, and using simulated manipulatives to help students understand and retain essential mathematics concepts.

You'll receive

- A SMART Notebook Software Training for SMART Board Users Facilitator's Guide – the complete reference for delivering a level 1 or level 2 SMART Notebook training session.
- A SMART Notebook Software Training for SMART Board Users Learner Workbook – the learner's reference tool throughout the training session.
- A resources CD that includes sample files, SMART Notebook presentation files and other templates to use in your training sessions.

- Selected SMART Notebook files, including games, lessons and templates.
- Membership for SmartMathlessons.com (a website with loads of free resources, including 500 discovery-based math lessons and over 1000 templates).
- A classroom set of Communicator® Clearboards (30 Communicators®, 30 EZ Erasable Markers, 30 EZ Erasers, a Big Book of Communicator Templates).
- A sample of each manipulative used in the demonstration.
- Lunch and snacks.

After successfully completing the online certification assessment, SMART Certified Trainers gain access to electronic versions of the learning materials – and rights to distribute them to training customers. SMART Certified Trainers may also purchase production-quality learner materials directly from SMART.

What's the value of SMART Training Certification?

- Upon the successful completion of this program, you will be certified to deliver 90-minute, half-day, full-day and two-day SMART training sessions for SMART Notebook software.
- You'll receive a certificate, a letter of completion and logos that indicate your designation.
- You can purchase or download SMART's learner workbooks.
- You'll be listed as a SMART Certified Trainer on the SMART website.
- You'll be able to market yourself as a SMART Certified Trainer for SMART Notebook software.

What are the requirements to be a SMART Certified Trainer?

This program includes pre- and post-session requirements that must be completed before you receive your SMART Certified Trainer designation. There are also ongoing requirements to maintain your designation.

Pre-session requirements

- Participants must have solid working knowledge of Microsoft® Windows® or Mac OS® operating system software.
- Participants must complete a pre-certification exercise package that includes readings, research and a SMART Notebook assignment to help you prepare for the training experience.

Post-session requirements

- All participants must successfully complete an online certification assessment.

Ongoing requirements

- SMART Certified Trainers may be required to successfully complete an annual online assessment to maintain their designation.
